

REMARKS

Claims 1-14, 16-34, 36-38, 40, 43, 60, 63-64, and 66-82 are pending in the application. Claims 38 and 60 have been amended. Further, claims 15, 35, 39, 41-42, 44-59 61-62, and 65 have been cancelled. No new matter has been introduced by the amendment.

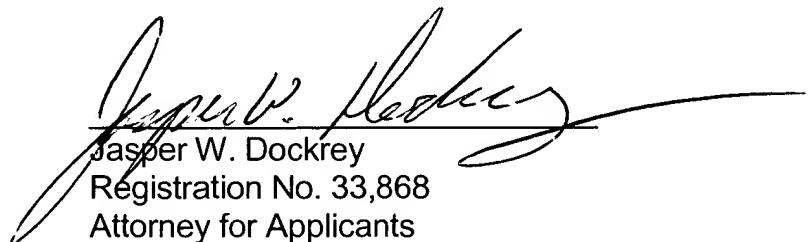

The claims listed in the Examiner's Amendment accompanying the Notice of Allowability did not include claims 2, 6-13, 17, 19-21, 24, 26-27, 30-34, 43, 64, 66-69, and 75-82. A complete listing of claims is provided herein to insure that these claims are included in the issued patent.

Claim 38 has been amended to correct an inadvertent typographical error. The claim has been amended to remove the term "nut butter and jelly" in claim element (e). The term "nut butter and jelly" was previously replaced by the term "composite food portion" that immediately follows "nut butter and jelly" in claim element (e).

Claim 60 has been also amended to correct an inadvertent typographical error. The claim has been amended to remove the term "tubular web" in claim element (e). The term "tubular web" was previously replaced by the term "flexible film" that immediately follows "tubular web" in claim element (e).

The applicants respectfully request entry of the accompanying amendment prior to the issuance of a patent for the above-referenced application.

Respectfully submitted,
